ADDITIONAL INFORMATION

- **Print subscriptions with delivery outside the United States:** Add \$18.00 USD per year for each print copy of *MTLT*. There is no agency discount applied to postage charges.
- **Subscription start dates:** All institutional subscriptions carry a term of **January through December**. Back claims through June will be honored if subscription payment is received by May 31 and requested in a timely fashion. Back issues for the past 18 months are generally available for purchase – call or email for prices.
- **Claims for missing issues:** US and Canadian subscribers should allow one (1) month after the cover date, and all other subscribers should allow three (3) months, before placing a claim. US and Canadian claims must be placed within three (3) months of the cover date, and all other claims within six (6) months.
- **Perpetual access:** Online access to all previously purchased content is retained while at least one current subscription is active. Without a current subscription, access to this content for one calendar-year term can be purchased for a **\$15.00** administrative fee. Archived Content is purchased annually and is not granted perpetual access.
